

The Wonder, the Glory and the Power— taught by Bill Mills

This conference is for:

Anyone who desires to exalt God in their life and in their praise of His glorious Name. This conference is best presented as a Sunday of Encouragement, beginning with your regular worship times, but could also be configured for a Saturday Seminar or retreat.

What I like about this conference:

The sessions are centered around three strong messages on worship, but are complemented by times of worship led by your worship teams and close with a “spontaneous” time of worship led by your people in response to the work of the Holy Spirit in their hearts.

Experiencing the Joy of Worship in Your Church

Conference Sessions:

- The power of praise and worship in the day to day battles of our personal lives, our relationships, families and ministries. By looking at how God met King Jehoshaphat of Judah when his army was far outnumbered by a coalition of the armies of enemies, we, too, can be filled with encouragement and confidence in the face of foes that threaten to destroy us. What does it look like when soldiers are led into battle by worshippers?
- As we look at “the problem of mercy”, God will open our eyes to see the beauty of the Cross and fill our hearts with the wonder that leads us to worship.
- King David was not content to only be a worshipper of his God; he called himself to the elevated place of “worship leader”. In this devotional look at Psalm 103, we, too, can respond to our highest calling to lead our own hearts, our brothers and sisters, the angels and all of God’s creation to worship our great God!
